

SHOEBOX DIORAMA

ROSS CARVILL'S INSTRUCTIONS

WHAT IS A DIORAMA YOU ASK?

A DIORAMA IS A REPLICA OF A SCENE OR A WORLD OFTEN SEEN IN A MUSEUM OR YOUR CLASSROOM! WE ARE GOING TO MAKE A DIORAMA IN A BOX!

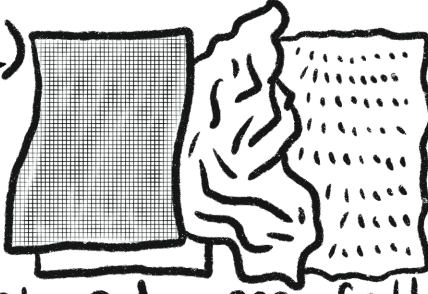

HERE IS WHAT YOU NEED

1)

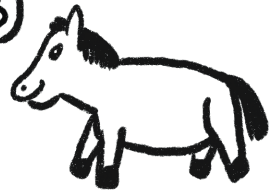

2)

COLOURED PAPER, FELT
CARDBOARD & CREPE PAPER.

3)

TOY ANIMAL

4)

WOOD
SKEWERS

5) GLUE

6) PAINT

7) SCISSORS

THINK ABOUT WHAT ENVIRONMENT YOUR TOY ANIMAL WOULD LIVE IN. DO THEY LIVE IN THE JUNGLE? UNDER WATER? ON A MOUNTAIN? OR OUTERSPACE?

1)

PAINT THE INSIDE OF THE BOX. IMAGINE THAT THE BOTTOM OF THE BOX IS NOW YOUR SKY. IS IT DAY? NIGHT? SUNNY? COLD?

USE - PAPER
- FELT
- CREPE PAPER

2)

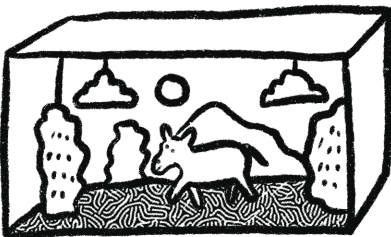

CUT OUT PLANTS, ROCKS
ANYTHING YOU NEED TO
MAKE YOUR DIORAMA.
USE CARDBOARD TO MAKE
THINGS 3D DIMENSIONAL.

STICK SKEWERS ON THE BACK
OF THINGS TO POKE THROUGH
THE BOX TO POSITION THEM
IN THE DIORAMA.

OR YOU CAN USE
YOUR GLUE STICK TO
STICK YOUR PIECES
INSIDE THE BOX.

GLUE YOUR TOY ANIMAL INTO IT'S
PLACE. NOW THEY HAVE A HAPPY PLACE
TO LIVE INSIDE OF A SHOE BOX.

SOME DIORAMAS ARE LIFE SIZE AND SOME, LIKE THIS ONE
ARE CALLED MINATURES. WHEN YOU MAKE SOMETHING BIG, SMALL!
